

Provision of Information in other Member State

You are hereby informed that where a person registered on the Register retained by the Council submits an application for registration on a Register of a Competent Authority of another Member State in the EE or the E.F.T.A., the Council, in order to simplify the procedures and the administrative cooperation required to examine the application of a member for registration, if requested, may, through the IMI System, provide the Competent Authority of the receiving Member State, with information concerning the applicant, relevant to the subject matter of his application for registration.

The Coordinators of the IMI System may also act as Competent Authorities and as such may send or receive requests for information.
